22 state the basis on which the plan was determined to be
23 inadequate and shall allow the person, corporation, or other

9 additional fee for blocking the service.

10 "(3) An eligible telecommunications carrier may not
11 collect a service deposit for local telecommunications service
12 in order to initiate Lifeline service if the qualifying low

15 to place toll blocking on the line, an eligible
16 telecommunications carrier may charge a service deposit.

25 qualifies. The notification of pending termination shall be in

1 the form of a letter that is separate from the bill of the
2 subscriber.

19 the consumer.

20 "(c) (1) The commission shall provide to each state
21 and federal agency providing benefits to persons eligible for

1 agency to those that apply to inform the persons of their
2 eligibility for Lifeline. Each state agency providing the
3 benefits shall furnish the materials to affected persons at
4 the time they apply for benefits.

5 "(2) An eligible telecommunications carrier may not
6 discontinue basic local exchange telephone service to a
7 subscriber who receives Lifeline service because of nonpayment

9 Lifeline service shall be required to pay all applicable basic
10 local exchange service fees, including the subscriber line
11 charge, E-911, telephone relay system charges, and applicable
12 state and federal taxes.

13 "(3) An eligible telecommunications carrier may not
14 refuse to connect, reconnect, or provide Lifeline service
15 because of unpaid toll charges owed to the eligible
16 telecommunications carrier if the customer agrees to toll
17 blocking.

18 "(4) An eligible telecommunications carrier may
19 require that payment arrangements be made for outstanding debt
20 associated with basic local exchange service, subscriber line

3 service or amounts resulting from collect calls. The eligible
4 telecommunications carrier may not impose a charge for
5 blocking long distance service on the Lifeline customer. The
6 eligible telecommunications carrier shall remove the block at
7 the request of the subscriber without additional cost to the
8 subscriber upon payments of the outstanding amount and, at the
9 option of the carrier, payment of a deposit.

10 "(6)a. By December 31, 2009, each state agency that
11 provides benefits to persons eligible for Lifeline and Link-Up

13 Human Resources, the Alabama Medicaid Agency, the Department
14 of Economic and Community Affairs, the commission, and
15 eligible telecommunications carriers providing Lifeline and
16 Link-Up services, the development of procedures to promote
17 Lifeline participation. The Department of Revenue shall
18 support efforts to promote Lifeline participation by including
19 information regarding Lifeline eligibility and enrollment
20 within individual state income tax instruction booklets.

21 "b. If any state agency determines that a person is
22 eligible for Lifeline and Link-Up services, the agency, upon
23 consent of the individual, shall immediately forward the
24 information to the commission to ensure the person's
25 application for Lifeline and Link-Up services can be processed

1 by the appropriate eligible telecommunications carrier. The
2 state agency shall include an option for an eligible customer
3 to choose not to subscribe to the Lifeline and Link-Up
4 services.

5 "c. Not later than December 31, 2009, the
6 commission, the Alabama Medicaid Agency, the Department of
7 Economic and Community Affairs, the Office of the Attorney
8 General, and the Department of Human Resources, shall develop
9 and adopt rules, in consultation with eligible
10 telecommunications carriers, creating procedures to

13 section may exchange information that is required to identify
14 and enroll a customer in the Lifeline and Link-Up programs,
15 such as name, service address, and telephone number, between
16 themselves and with eligible telecommunications carriers. This
17 information shall remain confidential and shall be used
18 exclusively for purposes of determining Lifeline and Link-Up
19 eligibility or for Lifeline and Link-Up enrollment.

20 "d. Not later than December 31, 2009, the
21 commission, the Alabama Medicaid Agency, the Department of
22 Economic and Community Affairs, the Office of the Attorney
23 General, the Department of Human Resources, and the eligible
24 telecommunications carriers shall enter into a memorandum of
25 understanding establishing the respective duties of each

1 agency or carrier with respect to the automatic enrollment
2 procedures.

3 "e. Eligible individuals currently without
4 telecommunications service may obtain a certification of
5 eligibility for Lifeline and Link-Up services from the
6 commission prior to initiating service with an eligible
7 telecommunications carrier, allowing these individuals to be
8 precertified for Lifeline and Link-Up services.

9 "(7) By February 1, 2011, and annually thereafter,
10 the commission shall report to the Governor, the President of
11 the Senate, and the Speaker of the House of Representatives on

23 telecommunications carrier for purposes directly connected
24 with eligibility for, verification related to, or auditing of

"§37-2A-8.

1 "(a) (1) Notwithstanding any provision of law to the
2 contrary, an entity that is not an incumbent local exchange
3 carrier shall not be obligated to tariff or otherwise provide
4 basic telephone service. An incumbent local exchange carrier
5 shall provide, upon reasonable request, basic telephone
6 service to the premises of a permanent residence within its
7 franchised service territory, if the costs, including, but not
8 limited to costs of facilities, rights-of-way, and equipment,
9 of providing basic telephone service to the requesting party
10 does not exceed eight thousand dollars (\$8,000).

11 "(2) If the cost exceeds eight thousand dollars
12 (\$8,000), as provided in subdivision (1), an incumbent local
13 exchange carrier may not deny service on the basis of cost so
14 long as sufficient funds to provide that service are available
15 from the Alabama portion of the applicable federal universal
16 service fund program.

17 "(b) (1) Beginning February 1, 2007, the retail price
18 for basic telephone service to be offered by incumbent local
19 exchange carriers shall not exceed the highest price charged
20 by the incumbent local exchange carrier on January 31, 2007.

21 "(2)a. Beginning January 1, 2008, and every

23 rates for basic telephone service may not be increased by the
24 incumbent local exchange carrier to exceed the rates of the
25 previous year as of January 1, plus any increase in the

1 Consumer Price Index for all urban consumers as reported by
2 the U.S. Department of Labor, Bureau of Labor Statistics.

3 "b. Upon the effective date of the act adding this
4 language, the commission shall not have any jurisdiction,
5 right, power, authority, or duty to regulate, supervise,
6 control, oversee, or monitor, directly or indirectly, the
7 costs, rates, charges, terms, or conditions, for any retail
8 telecommunications services provided to businesses or
9 government entities, except as provided in Section
10 37-2A-11(6).

11 "c. Beginning January 1, 2011, the commission shall
12 not have any jurisdiction, right, power, authority, or duty to
13 regulate, supervise, control, oversee, or monitor, directly or
14 indirectly, the costs, rates, charges, terms, or conditions
15 for basic telephone service.

16 "(3) a. Each optional telephone feature in a bundled
17 offering must be available on a stand-alone basis under a
18 tariff on file with the commission. If a bundled offering is
19 offered by a local exchange carrier, the carrier shall have a
20 basic telephone service tariffed offering for residential
21 customers on file with the commission.

22 "b. Beginning January 1, 2008, and through December
23 31, 2010, increases in tariffed rates for optional telephone
24 features may not exceed five percent per optional telephone
25 feature per year.

1 "c. Through December 31, 2010, a residential bundled
2 offering that consists solely of basic telephone service and
3 optional telephone features must be priced at or below the sum
4 of the tariffed price of basic telephone service and the
5 tariffed price of the associated optional telephone features.

6 "d. Beginning January 1, 2011, the commission shall
7 not have any jurisdiction, right, power, authority, or duty to
8 regulate, supervise, control, oversee, or monitor, directly or
9 indirectly, the costs, rates, charges, terms, or conditions
10 for optional telephone features.

11 "§37-2A-11.

12 "(a) This chapter is intended to supersede the
13 remainder of this title as to any matter provided for in this
14 chapter.

15 "(b) Nothing in this chapter shall do any of the
16 following:

17 "(1) Alter the jurisdiction, rights, powers,
18 authority, or duties of the commission except as specifically
19 provided for in this chapter.

20 "(2) Be interpreted to expand the commission's
21 jurisdiction, right, power, authority, or duty as it is
22 provided for in any other chapter of this title.

23 "(3) Alter any provider's obligations under state
24 911 laws.

1 "(4) Alter, amend, or modify taxes imposed by Title

4 "(5) Alter, amend, or modify, other than as provided
5 in subdivision (1) of subsection (b) of Section 37-2A-4, the
6 commission's authority with regard to wholesale transactions
7 between incumbent local exchange carriers and other
8 telecommunications carriers for the transmission and routing
9 of telephone exchange service and exchange access.

10 "(6) Alter or modify the current treatment of
11 tariffed emergency reporting services regulated by the
12 commission on or before February 1, 2005, and offered by local
13 exchange carriers to public safety answering points and
14 emergency communications districts.

15 "(7) Confer upon the commission the power and
16 jurisdiction to regulate and supervise any utility or
17 telecommunications carrier owned and operated by any municipal
18 corporation in the state or any municipal instrumentality, as
19 defined in subdivision (15) of Section 11-50B-2.

20 "(8) Limit the ability of the Attorney General of
21 this state to investigate claims of, and seek appropriate
22 remedies for, alleged anticompetitive pricing or illegal tying
23 of telecommunications services or other potential violations
24 of antitrust law relating to the provision of

1 telecommunications services by any carrier that becomes
2 subject to this chapter."

3 Section 2. Section 37-2A-5.1 is added to the Code of
4 Alabama 1975, to read as follows:

5 §37-2A-5.1.

6 Notwithstanding anything in this chapter to the
7 contrary, those provisions of the act that adds this section
8 which revise or create Sections 37-2A-8(b)(2)a.,
9 37-2A-8(b)(2)b., 37-2A-8(b)(2)c., 37-2A-8(b)(3)a.,
10 37-2A-8(b)(3)b., 37-2A-8(b)(3)c., and 37-2A-8(b)(3)d. shall
11 not be applicable to any incumbent local exchange carrier
12 until and unless such carrier has waived in writing with the
13 commission any exemption, suspension, or modification
14 otherwise available under 47 U.S.C. 251(f).

15 Section 3. Although this bill would have as its
16 purpose or effect the requirement of a new or increased
17 expenditure of local funds, the bill is excluded from further
18 requirements and application under Amendment 621, now
19 appearing as Section 111.05 of the Official Recompilation of
20 the Constitution of Alabama of 1901, as amended, because the
